WHY CHIKMAGALUR WORKS FOR PETS

Chikmagalur combines open plantation landscapes, cool mountain air and scenic drives — making it a natural choice for a relaxed holiday with your pet.
The destination is particularly suited to pets who enjoy long walks, exploring new surroundings and being outdoors, with plenty of opportunities to slow down and enjoy the countryside together.

PET-FRIENDLY EXPERIENCES

• Coffee plantation walks
• Mullayanagiri scenic drive
• Mountain and valley viewpoints
• Estate walks and nature trails

• Leisure time at plantation properties
• Estate cafés and outdoor dining, where permitted
• Scenic countryside drives

GETTING THERE WITH YOUR PET

From Bangalore: 245–280 km
Suggested Route:
Bangalore Hassan Belur Chikmagalur
The route is comfortable for a road trip, with good highways for most of the journey before entering the more scenic hill sections.
Our suggestion:
Break the journey around Hassan or Belur for refreshments, a short walk and a comfortable toilet break for your pet.

PET NOTES

• Chikmagalur is well suited to dogs who enjoy nature, walks and outdoor exploration.
• The roads become increasingly winding and hilly as you approach the higher reaches, so pets prone to motion sickness may need extra care.
• Carry sufficient drinking water for your pet, especially during plantation walks and longer drives.
• Keep your pet leashed around viewpoints, roads, plantations and unfamiliar terrain.
• Some trails and viewpoints can have uneven, rocky or slippery surfaces — comfortable supervision is important.
• Avoid allowing pets to wander freely through coffee plantations or forested areas, where insects, plants and uneven terrain may pose risks.
• Start outdoor walks during the cooler morning or late-afternoon hours, particularly outside winter.
• Carry your pet's regular food, water bowl, leash, waste bags, basic first-aid supplies and any regular medication.
• For longer drives, plan regular breaks for water, toilet and movement rather than travelling continuously.
• Chikmagalur can receive heavy rain during the monsoon, making some outdoor trails muddy or slippery.
